The Word of God- the Holy Bible- is God's special Book. It is not like other books, but is a Supernatural Book. It was written by many different people. who wrote by their inspiration of the Holy Spirit
2 Timothy 3:16-

It was written in three languages- H_____, A_____ and G_____.
The Bible you have has been translated by dedicated people so that you can have God's words, thoughts and plans.

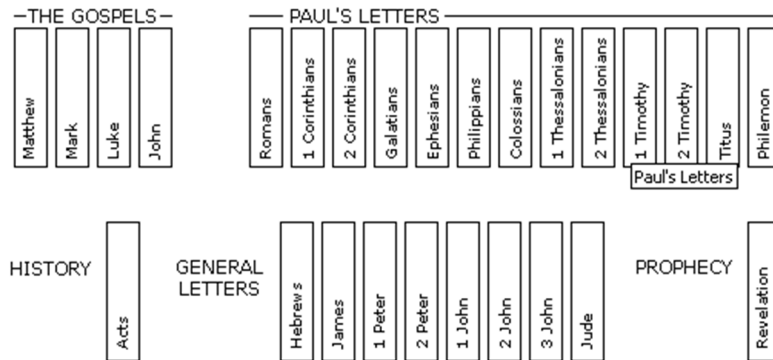

The bible is also one of the oldest books in the world. The most ancient portions of the Bible date back almost 4,000 years. Yet it is still the most modern book in the world today; for in it we find the answers to life's greatest questions:

1. _____ did I come from?
2. _____ am I here?
3. _____ will I go?

Even the bible is made up to 66 smaller books, it has only one central theme: **God's Loving Plan To Rescue Mankind.** Take a glimpse of its composition.

NEW TESTAMENT
